

Racial Intelligence 2-Day Train-the-TRAINER

Training that De-Escalates 95% of Calls!

Emotional Intelligence (EI) linked with Social Intelligence (SI) helps officers use enhanced verbal skills, on 95% of calls. Build trust between your agency and the community, while sustaining career resiliency for your officers. RITE improves law enforcement and community relations with passion.

“This is NOT the outdated 1980’s cultural diversity training, that put officers down. We looked for a less academic, easy-to-use training, with better ways for our officers to communicate, and to De-Escalate more effectively. RITE training supports our officers, our department, AND our community.” ~ Chief Rob Hicks, Leesburg PD, FL

Emotional Intelligence (EI) is being aware of our emotions, knowing that emotions drive behavior which impacts others (good and bad). **Social Intelligence** (SI) is how we effectively navigate and negotiate all outside relationships and situations
