

Racial Intelligence 2-Day Train-the-TRAINER

Training that De-Escalates 95% of Calls!

Racial Intelligence (RI) is using Emotional Intelligence (EI) linked with Social Intelligence (SI), helping officers de-escalate 95% of the time. RITE's Trainer class teaches Implicit Bias and De-escalation skills, with diversity and inclusion, certifying trainers to teach their agency. Survey's prove that RITE works!

“This is NOT an outdated 1980’s cultural diversity training, that put officers down. We looked for an easy-to-implement training, with better ways for our officers to communicate, and to De-Escalate more effectively. RITE training supports our officers, our department, AND our community.” ~ Chief Rob Hicks, Leesburg PD, FL

Emotional Intelligence is being aware of our emotions, knowing that emotions drive behavior which impacts others (good and bad). **Social Intelligence** is how we effectively navigate and negotiate all outside relationships and situations
