"RITE is NOT the outdated cultural diversity training, that put officers down. This training has helped our officers communicate and De-Escalate more effectively, and our community appreciates our efforts to better serve them." ~ Chief Rob Hicks, Leesburg PD, FL

Emotional Intelligence (EI) is being aware of our emotions, knowing that emotions drive behavior which impacts others (*good and bad*).
Social Intelligence (SI) is how we effectively navigate and negotiate all outside relationships and situations. **RITE** puts it all together!
