

# Workplace Harassment Training

**RITE's Workplace Harassment Training** is nationally recognized in creating a bias-free work place. Our approach is unique in that the training is actually fun and engaging, while reinforcing your company's values of having a professional workplace culture for all employees. Our class **includes Emotional Intelligence and Tools** your employees learn from and use in class with each other, and well after we are gone. Learning to treat yourself fairly, is step one.

Workplace Culture Breakdowns addressed include:

- Unprofessional Behavior
- Elements of Entitlement
- Mental Looping and Negative Banter
- Implicit Bias and Hot Buttons
- Rumors and Gossip

## WHAT MAKES RITE UNIQUE?

RITE take-away Tools (*like the Awareness Ladder*) are for employees to use and share with others, at home and work. ***Doing the RITE Thing***, becomes a company message that says, "We are a bias-free environment with zero tolerance for unprofessional work-place behavior."

## OPTIONAL PROGRAMS:

1. **Executive Leadership** In-person Training by RITE Leaders (Half or Full day)
2. **Employee Training** On-location by Certified RITE Trainer (Half or Full day)

*Reinforce the company culture of treating others fairly, as they wish to be treated.  
Show VALUE to your employees, and they will add Value to your company.*
